

## Homework Help

Homework Help is a new program we are offering designed to help students complete their homework without distractions. Students, K-12, are able to come in and complete homework, projects, and any other school related assignments. There is a licensed, certified teacher in the room who is able to help them stay on task and complete their work.

- Homework Help is offered Monday - Thursday from 4pm-6pm.
- Each 2 hour session allows up to 6 students.
- Families may choose to either do 1 or 2 hours within the given time frame.
- Fees: \$20 per hour

Please contact Ms. Sue to register!
