

Destroy the Chaos

For this class, we are reaching out to high school students! Through a detailed book study of "Career Choices" students will learn how good organization skills will help them achieve their present and future goals. A licensed, certified teacher will be there to support them through lessons, activities, and hands-on activities. There will be a minimum of 3 students and a maximum of 6 students in the class to ensure support of individual learning styles.

- New sessions start at the beginning of each quarter throughout the school year.
- Classes will be Tuesdays, 6:30pm-7:30pm for each session.
- A deposit of \$100 is due at the time of registration.
- A balance of \$125 is due before the 1st class.
