

# VIRTUAL ACADEMIC SUPPORT

Educational Coaches is expanding its support to the Moyock area and offering families a small-group, face-to-face academic support program for students enrolled in online and hybrid learning programs. We have other opportunities for support, as well, in other locations.

Students will receive support in managing and completing independent work assigned by their public school or online teacher. Students are supported by highly qualified staff. There is no long term or weekly commitment - families can sign up for support as needed.

In addition to assigned schoolwork, the day could be filled with additional age appropriate learning opportunities, such as STEM challenges, academic support games, fact fluency building, and more.

Start date: August 17th for NC students/September 8th for VA students

Registration Fee: \$50.00/student up to \$150.00/family

Cost: the daily rate is \$55 a day with a limited number of spaces per day

Days/Time: Monday through Friday from 8:00 am (drop off) to 3:00 pm (pick up)

Grades: K-6 (evening hours with private tutoring will be available for grades 7-12)

The HEALTH and SAFETY of our students is a top priority. We will follow NC Health Department Guidelines for preventing the spread of COVID-19: student temperature check at drop off, social distancing, limited number of shared items by students, face coverings, promotion of good hand hygiene, and following the CDC's Environmental Cleaning and Disinfection Recommendations (frequently cleaning and disinfecting of school building).
